Discussion Topic List for May 11 and May 12

1. IFRS 17		
 Poll on where everyone is in terms of their preparations for IFRS 17 how much information on IFRS 17 has been shared with everyone's Audit Committee to date (level of detail, etc.). Anyone contemplating changing your investment approach due to IFRS 17? Will IFRS 17 change your rate setting approach (e.g., second set of books?)? Other IFRS topics 		
How will your jurisdiction recognize onerous contracts? Specifically liability timing?		
 2. Impact of COVID-19 (including any relief packages) on: the recognition of premium revenues and allowance for doubtful accounts for FY2020 and onwards impact on 2022 average assessment rates 3. Impact of work from home model, and any future plans of going back to the office or moving to a hybrid model. If hybrid, is there an impact on occupancy rates and accounting for the decrease/increase in occupancy rates? 		
4. Future Committee Leadership and future topics.
