

AWCBC Safety & Prevention Committee

Jurisdictional Update Template

Jurisdiction: Manitoba

Date: May 2023

This template is intended to streamline the reporting on new or updated progress on prevention activities in each jurisdiction. The intention is not to complete all sections, only those sections for which progress has been made since the last AWCBC Committee meeting.

Certification and Incentive Programs

Nothing to Report

Sectors and HSAs (Health & Safety Associations)

Our new HAS in healthcare is starting to hire staff. Delivery of services is starting to ramp up.

Training

Our new training portal is intended to launch in early May. We will begin with 5 standards and have 12 in place by the end of 2023. In addition, approved training providers can post their general training.

Social Marketing

Nothing to Report

Hazard Programming (eg. Psychological, Occ. Exposures, etc.)

Nothing to Report

Strategic Initiatives

We are working to engage 9 system impact employers that represent 25% of all time loss claims. Five are in healthcare, three in public administration and one school division.

Legislation

Nothing to Report.
