Interactive Roundtables

Introduce Yourselves.

Name, jurisdiction, and position.

Choose a Reporter.

Who would like to be a reporter for this group?
Choose a reporter as at the end of the session
random roundtables will be called upon to report out
on their group's discussion to the entire delegation.

Questions to Explore (choose 1 or 2)

1) Cyber protection is a digital *must do* in any organization.
   What gaps exist in your current protection?
   How do you plan to close them?

2) What percentage of your organization's work is currently digital?
   Are there gains to be had through further digital applications?
   What percentage of your organization's work do you believe brings optimal digitization?

3) Does your Board/Commission have a process in place to welcome innovation and implement new ideas?
   Is it effective? If not, what are your plans to improve?

4) How are you setting up your employees for the new world of post COVID work? What benefits are expected?

Discussion Time: 30 Minutes

Share.
Ensure that everyone in the breakout room has time to share their thoughts.

Report Outs:
Presenter, Eugene Roman and Governance Leader, Glenn Rainbird, will wrap up the exercise by calling upon roundtable groups to share highlights of their discussions with the entire delegation.

Thank You.
